Common Q&A

Q: What if something comes up and I can't go?

A: That's what travel insurance is for. A good policy covers trip cancellation, medical emergencies at sea, and evacuation. We quote it when you book — it's not expensive and it removes the risk entirely.

Q: Do I need a passport?

A: Technically no — this is a closed-loop cruise departing and returning to a US port. But we strongly recommend one. It's the safest choice if any unexpected situation requires you to fly home from a port.

Q: What if I've never cruised before?

A: This ship is an ideal first cruise. Freestyle dining means you eat when you want, with who you want. The ship is large enough that you'll never feel like you're running out of things to do — and you'll be going with your club, which makes the whole thing easier.

Q: Is the open bar actually unlimited?

A: Yes. No daily cap, no ticket system. Cocktails, wine, beer, spirits. Works at every bar on the ship and at Great Stirrup Cay. Guests under 21 receive a non-alcoholic package.

NorwegianCare Travel Insurance

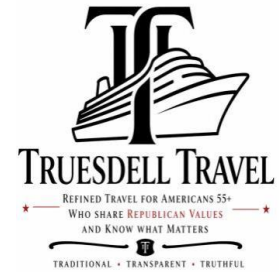

NorwegianCare is underwritten by Arch Insurance Company and administered by Aon Affinity Travel Practice. NCL recommends it on every booking. Here is exactly what it covers — and what it does not.

WHAT IS COVERED

Cancellation Penalty Waiver - Reimburses up to 100% of non-refundable cruise value in cash if you cancel for a covered reason — sickness or injury of you, your traveling companion, or an immediate family member. Provided by NCL, not an insurance benefit.

Trip Interruption - Up to 150% of non-refundable unused cruise expenses plus additional travel costs if your trip is cut short for a covered reason.

Trip Delay - Up to \$1,000 if your trip is delayed 3 or more hours due to a covered reason such as common carrier delay.

Emergency Medical Expenses - Up to \$50,000 for accident and \$50,000 for sickness expenses — including copays and deductibles. May be secondary to your existing health insurance.

Emergency Medical Evacuation - Up to \$250,000 for medical transportation. Up to \$50,000 for repatriation of remains. Must be coordinated through the assistance provider.

Baggage & Personal Effects - Up to \$1,500 for loss, theft, or damage to bags. Secondary to other coverage you may have.

Baggage Delay - Up to \$500 if bags are delayed 24 hours or more by a common carrier.

24/7 Emergency Assistance - Worldwide medical and travel assistance via CareFree Travel Assistance. US/Canada: 1-877-303-5909.

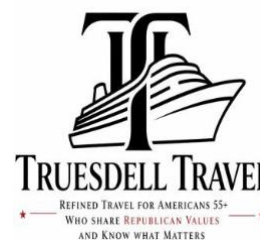

CANCEL FOR ANY REASON (CFAR)

If you cancel for a reason not covered by the Cancellation Penalty Waiver, NCL provides a NorwegianCare Credit equal to 90% of your non-refundable prepaid travel value. This is a future cruise credit, not cash. Must be purchased with NorwegianCare.

WHAT IS NOT COVERED

- Pre-existing medical conditions (unless waiver applies — ask us)
- Cancellation due to change of mind or work conflicts — use CFAR credit for those
- Losses already covered by another policy — this plan is secondary in most states
- Bar, beverage, and specialty dining gratuities

- Casino gratuities and optional onboard services
- Losses you failed to take reasonable steps to prevent
- Acts of war, civil unrest, government travel restrictions (varies by policy)

IMPORTANT

- Coverage terms vary by state. NY residents have different cancellation terms. Ask us for your state-specific policy document before booking.
- File a claim: www.aontravelclaim.com
- A \$250,000 evacuation benefit costs a fraction of what it would cost out of pocket. Ask us for a quote when you book.

Cancellation Policy Grid A

- Applies to total payments made or deposit — whichever is higher.
- Fees are in US dollars.
- All Sailings (Club Balcony Suites and Below)

Name Changes for Cruise, Air, Land and Other Add-ons

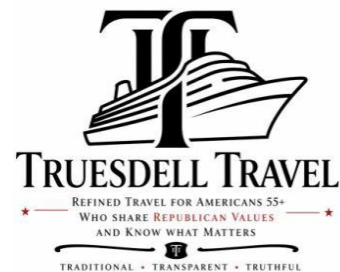

- Name revisions or substitutions are not permitted without Norwegian approval.
- All name changes are considered reservation cancellations and new bookings — regular cancellation fees apply. If Norwegian approves a name revision or substitution, such change will be subject to a cancellation fee per Table C.

Passport Requirements

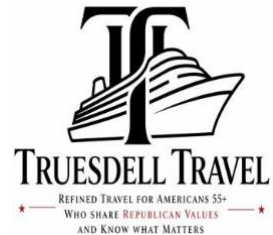

This is a closed-loop cruise — it departs and returns to a US port (Port Canaveral). Under US law, American citizens on closed-loop cruises can travel with a government-issued photo ID and an original birth certificate instead of a passport.

We still strongly recommend a passport. Here is why:

- If a medical emergency requires you to fly home from a foreign port, you cannot board an international flight without a passport
- If you miss the ship at a port of call, you need a passport to make alternate travel arrangements
- Some ports and excursions require a passport for entry or ID verification
- Your passport must be valid for at least 6 months beyond the sail date — February 2027 means valid through at least August 2027
- **A \$130 passport is inexpensive insurance against a very expensive problem.** Don't wait — take care of it now so you're ready to sail in February 2027.
 - If you're applying for your first passport, routine processing takes about four to six weeks, plus roughly two weeks of mailing time each way. The cost is \$130 for adults (\$100 for children under 16), plus a \$35 execution fee paid at the post office when you apply in person.
 - If you're in a hurry, expedited processing cuts the wait to just two to three weeks, plus mailing time. Expedited service costs an additional \$60, bringing the total to \$190 for adults (\$160 for children under 16), plus the same \$35 execution fee at the post office.

- If you already have a passport and simply need to renew it, the process is even easier. Most adults can renew by mail or online — no trip to the post office required. Renewal costs \$130, takes about four to six weeks plus mailing time, and there is no execution fee. Expedited renewal is also available for the additional \$60 if you need it faster.
- One last tip: check your expiration date today. Many countries require your passport to be valid for six months beyond your travel dates, so for a February 2027 cruise, your passport should be good through at least August 2027. If it expires before then, renew it now and cross it off your list.

WHERE TO APPLY

- US Post offices that accept passport applications, check your local USPS passport facilities
- County clerk offices and courthouses
- Some libraries and public buildings

WHAT YOU NEED

- Completed DS-11 form (new passport) or DS-82 (renewal)
- Proof of US citizenship — birth certificate or existing passport
- Government-issued photo ID
- Passport photo (2" x 2" — available at most post offices and pharmacies)
